

# COMMUNITY SERVICES, HEALTH AND EDUCATION TRAINING COUNCIL COVID-19 UPDATE – MAY 2020

Industry training councils provide a direct link between Western Australian industry and the State Training Board. This infographic summarises industry feedback to the training council in March to May 2020.

## JOBS LOST/IDLED\*

Dental  
Childcare  
Nursing  
Anaesthetic technicians

## JOBS IN DEMAND\*

Aged care  
Financial counsellors

\*Between March - May 2020 there were redundancies, suspensions, terminations or reduced hours.

\*Between March - May 2020 there was increased demand for workers or increased hours for existing workers.

## IMPACT OF COVID-19 MEASURES

### VISA CONDITIONS

- International student nurses and aged care workers can now work more than 20 hours a week.

### CHILDCARE

- The Commonwealth Government's Early Childhood Education and Care Relief Package has created uncertainty for the sector.

### MEDICARE CHANGES

- Medicare Benefits schedule now includes telehealth, supporting health care practitioners to provide more services in this way.

## TRAINING REQUIREMENTS

### INDIVIDUAL SUPPORT

- CSHETC is working with industry to seek alternatives whilst work placements are on hold as a result of COVID-19 measures.

### NURSES

- Diploma of Enrolled Nursing students may receive an Assistant in Nursing qualification that allows them to be employed while they complete work experience hours.

### TELEHEALTH

- CSHETC is developing a Telehealth skill set to meet the increased demand for telehealth services.

### FINANCIAL COUNSELLING

- CSHETC is working with industry to establish a traineeship in Financial Counselling to meet the increasing demand for financial counselling services.

CSHETC has developed a COVID-19 skill set for community services workers. The initiative has led to a partnership between one key hospitality stakeholder and an aged care provider to create employment for displaced workers.
